

Sound Investment

FAQ's & Pre-Event Checklist –

Thank you for considering **Sound Investment** to perform at your event. Please take a moment to look at a few questions below so we can be prepared to better serve you & deliver an outstanding performance. Please reach out if you'd like to discuss.

1. What is the purpose of the event (wedding, festival, club, charity/fundraiser)?
2. Will a professional sound system (PA) & sound engineer be provided by the venue or will the band need to provide?
3. Will the venue provide stage lighting, or will the band need to provide (if needed)?
4. What is the power supply? We recommend a minimum two separate 110v circuits on separate 20 amp breakers within 20ft of the playing area
5. What is the playing surface? We require a solid, clean playing surface with a min. "stage" area of 10'x14' (e.g., raised stage, concrete, linoleum; no dirt-DG-grass).
6. If outdoors, will your "stage" area have a cover to provide shade in the hot months and protection from rain in the wet months?
7. Will you require a mics or audio gear for presentations? Will it need to be wireless?
8. Will you require the band to provide background music to be played on breaks/intermission? or is there house music provided?
9. The band requires at least 2 hours prior to showtime to set up and sound check. It is best to be set up prior to guests' arrival. Any specific time frame we need to be aware as not to interrupt portions of the event?
10. How is equipment access to the "stage" area? We request convenient vehicle access near the playing area for equipment load-in/load-out. We certainly desire to minimize stairs & distance for equipment hauling. We also request parking for 4 vehicles near the venue.
11. Will you be needing MC (Master of Ceremonies) services for your event/wedding?
12. Any special timing, announcements, intermissions (etc.) to be aware of?
13. If meals/drinks are provided at the event, will you be providing meals/drink for the band (6 members)?
14. Is the band required to purchase liability insurance? Please provide details of coverage needed, if applicable.
15. Band pricing available upon request. Dependent on: time of year/week, location, services requested, time frame, ins requirements, event type, equipment & set up needs.
