BAND BIO SNAPSHOT

DANCE MUSIC YOU CAN BANK ON!!

Meet The Band: Dancing. Laughing. Singing. Clapping. Toe-tapping. Reminiscing. Flirting. Celebrating.....That is how the audience responds when Sound Investment takes the stage. Our goal as a band is simple: To play great music that sets the course for a memorable evening. Whether it's singing along to *Old Time Rock'n'Roll*, swaying to *At Last*, shaking it to *Twist & Shout*, or even line dancing to *I Feel Lucky*, our audience feels as much as part of the entertainment as the band itself.

Genre: Pop-Rock-Country Dance.....Music you know & love to dance to!
